COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

In response to the Notice of Allowability mailed May 26, 2005, the Examiner provided reasons for allowing this application. While the Applicant generally agrees that the claims are allowable for the enumerated reasons, the Applicant believes that the stated reasons for allowing this application are somewhat confusing and should read as follows: “a solenoid having coaxial armatures with respective restoring springs with the control valve having controlling line connections having and the combination of the hollow outer armature having first and second openings with an inner armature that seals closes the first opening.”

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
